

APPENDIX F-210
PROVISIONING SSR LIST

1. PURPOSE

To provide a listing of all Program Data Supply Support Requests (PDSSRs), DIC CWA, and Line Item Supply Support Requests (LISSRs), DICs CXA, CXB, CXC, CXF, CXG, CXK, CXT, and CFR, accepted for processing through the provisioning edit and validation. SSRs that fail to pass the edit and validation will be listed on appendix F-200.

2. ORIGIN

This list is output as a result of processing provisioning transactions as described in chapter 39.

3. FREQUENCY

The listing is output from each daily provisioning cycle.

4. FORMAT

a. Heading Line - Standard Identification. The Activity Code From, Provisioning Control Code (PCC) and Date of Request (DOR) will be embedded in the header line.

b. Data Organization

(1) Sequence:

(a) Major - Activity Code From.

(b) First Intermediate - Provisioning Control Code (PCC).

(c) Second Intermediate - Date of Request (DOR).

(d) Third Intermediate - Item Serial Number (ISN).

(e) Minor - Document Identifier Code (DIC).

(2) Number of lines per page: Variable.

(3) Spacing: Double-Spaced.

(4) Page Break: On change of Activity Code From, PCC, and DOR, or on overflow.

(5) Required Totals - None.

c. Caption of Data Elements:

(1) PDSSR AND LISSR DATA - The first line of data will be numerics representing data position indicators. The data elements applicable to each transaction will be reflected below the position indicators. A full description of the data contained in each 80-position transaction can be obtained from the appropriate B appendix. Appendices B-213 or B-214 will apply. A few of the significant data elements are described as follows:

- (a) Pos. 1-3 - The DIC.
- (b) Pos. 4-5 - The Activity Code To.
- (c) Pos. 25-29 - The retail quantity, if applicable.
- (d) Pos. 32-36 - The wholesale quantity, if applicable.
- (e) Pos. 43-48 - The Item Serial Number (ISN).
- (f) Pos. 49-52 - The Date Of Request (DOR), if applicable.
- (g) Pos. 57-59 - The Provisioning Control Code (PCC), if applicable.
- (h) Pos. 67-68 - The Activity Code From.

(2) ACTION TK CD - The Action Taken Code (ATC) from appendix A-136 will be reflected when the provisioning transaction has been processed and an advice has been provided. The LIAC, DIC CX1, will be reflected on an accompanying appendix F-209.

(3) REMARKS - A variety of in-the-clear abbreviated messages may appear in this field. A description of the messages that may appear is described below.

(a) A message may appear in the remarks field to clarify the data element in error if not specifically identified in the explanation of the ATC in appendix A-136.

(b) UNIT PRICE REVIEW will be reflected when a DIC CXA, CXB, or CXC, contains a unit price in pos. 74-78 equal to or greater than \$1000.00.

(c) The extended dollar value of a DIC CXA, CXB, or CXC, will be reflected when the retail quantity in pos. 25-29 times a unit price less than \$1000.00 is greater than a \$2500.00.

5. DISTRIBUTION AND RETENTION

One copy of the listing will be forwarded to the Directorate of Supply Operations (DSO), Logistics Program Division. This listing will be retained by DSO as long as required for review and analysis.

6. PROCEDURES FOR REVIEW AND PROCESSING

a. Review pertinent data reflected on the listing to ensure correct and adequate provisioning and weapon system data is being submitted.

b. Ensure data submitted is appropriate and in consonance with current provisioning and Weapon System Support Program (WSSP) guidelines.

c. Direct actions as necessary, in collaboration with affected Directorates, Services, or HQ DLA to ensure adequate technical, cataloging and procurement data is being provided to enhance the Defense Supply Center's (DSC) supply availability.
